

REMARKS

In response to the Notice of Drawing Inconsistency with Specification mailed on May 15, 2008, Applicant notes that all of the figures were contained in the drawings but one figure was inadvertently omitted from the Brief Description of the Drawings in the specification. Fig. 9 in the Brief Description of the Drawings in the original specification, is actually Fig. 10 and has been corrected to reflect that in this amendment. Fig. 9 was omitted in the Brief Description of the Drawings in the specification and has been added as a new paragraph in this amendment. Support for the amendments can be found in the specification at least at paragraphs 27 and 30.

Applicant asks that the amendment be entered to overcome the Notice of Drawing Inconsistency with Specification. Please apply any charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: June 2, 2008
